

CORRELATION BETWEEN GLYPHOSATE USE AND MONARCH MIGRATION ROUTES AND BREEDING

Glyphosate Use in the U.S.

Estimated agricultural use for glyphosate, 2009: EPest-Low, Pesticide National Synthesis Project, U.S. Geological Survey.

Monarch Survival Threatened by Glyphosate

Wassenaar, Leonard I., and Keith A. Hobson. "Natal origins of migratory monarch butterflies at wintering colonies in Mexico: new isotopic evidence." *Proceedings of the National Academy of Sciences* 95.26 (1998): 15436-15439.
